

Around and Beyond:

This Brief is mainly to **worship leaders, lay preachers and ministers** in preparation for suffering Church Action Week oct 29 to Nov 5.
So special emphasis might be either Sunday.

BarnabasAid has presented several very useful [resources](#):

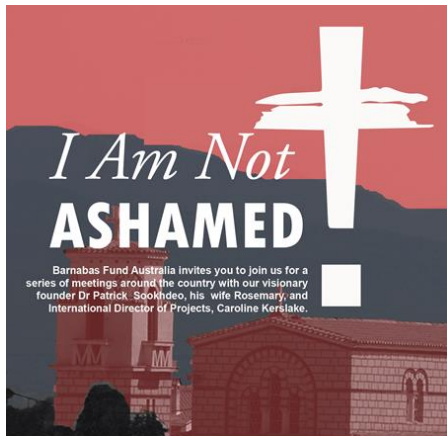

Sermon outline, including interesting word studies

A hymn by Patricia Jennings 'Oil of His Grace' strong, beautiful words, with [music score](#) to download

Small group Bible Study

Youth and children group

DVD presentation available all on or available on website above.

While there are several ministries serving the persecuted church many of our HopeNet people use Barnabas for prayer information and giving and their resources are very practical.

And remember founder Dr. Patrick Soohdeo will be speaking at BCC Portrush Rd this Saturday, 21st for a day information and inspiration. Details 0413248622

And encouragement in wider work: "the thousands of volunteers wearing out their leather soles and working the phones day and night to chase every vote possible. Their dedication is wonderful to see – and it will be key

to the final result. When more than a third of the country is yet to vote, we must continue to work through to the end." Damian Wylde, Marriage Coalition

I am aware of HopeNet folk who are part of this. They honour us as a grace enlivened empowered and hope-filled body of Christ's People. Our Gospel is glorious. It carries us into the wonders and beauties of personal transformation across gender, class, ethnic and all other barriers and boundaries! There is no bitterness, no perversity, no abandonment, no warp of mind or being it cannot fix through the working of the Holy Spirit imparted through the blood of Christ by faith.
