The last 11 days your HN minister has visited and been with the saints in 11 of our churches, the Gulf cities, County Jervois group and Flinders group(the latter, driven and supported by Warren Mack). Over the next 10 days Rosemary and I will be attending the annual international board meeting of BarnabasFund in Auckland as well as spending several looked- forward- to days break and recreation with generous hosts Fred and Wendy Newman(Glenunga HN church) currently living in NZ .
