

The Franklin Graham Celebrations across the nation are stirring attention. Greg Sheriden's full page in The Australian and numerous radio interviews. More importantly are the contacts Christians are making with neighbours and friends openly and warmly inviting them to come to Titanium stadium 44A Crittenden Rd, Findon SA. Some already receive these devotionals from Anne Hibbard, ACC [School of Faith](#). I am sending on the link so nobody misses it.

The journey of our churches at the present; Rejecting current Un-Scriptural teaching
+Holding fast the Unity of the Spirit purchased by Christ's blood + Reaching into the sanctifying abundant life.

These three held together are the marks of churches against which the gates of hell have no resistance and before which all enemies fall. Here is the Lord's favour. Here is a Gospel mighty to save. Anyone of these without the others lacks power, together its simple and not only are the churches strong, they breathe life and hope into their communities, often without a word, inviting others to join them.

God bless you and Christ be glorified amongst you.
